REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lincoln Middle-High School is making gains toward the mission of being an example of notable excellence in achievement as evidenced by our recent AYP/HSAP/PASS/EOC results. Based on the 2011 state report card, LMHS sustained an "Average" Absolute Rating for the past two years and went from "At Risk" to "Below Average" growth rating in 2011. The graduation rate at LMHS for 2011 is 76.9%, up from 75.6% in 2010, and 66.0% in 2009. According to PASS results in the exemplary category, LMHS outscored the state and schools with students like ours in Math, Social Studies, and Science. Results from Fall 2011 End of Course Exams revealed that 100% of LMHS students scored 70 or above in Algebra I and maintained a 100% passing rate in English I. Our focus on rigor improved our students' overall performance on high stakes testing and moved more students toward proficiency. AP Art was implemented this year at LMHS. AP Literature and AP Statistics are being added to our course offerings for the 2012-2013 school year.

For the next school year, we will be implementing a Seventh Grade Academy to assist incoming students with developing effective study skills, time management skills, and other success oriented habits. The Academy will assist with transition and provide academic support for engagement in our rigorous curriculum. Currently, all teachers at LMHS are Highly Qualified and are involved in ongoing professional development for literacy and assessment development, thus elevating achievement for all students. Parent involvement is at an all time high with 99.4% of LMHS parents attending conferences, out-scoring schools with students like ours that had only 98.3% parent involvement. Satisfaction with school-home relations was reported by 95.1% of our parents, up from 90% the previous year.
